

Innovative advice adding value to your business

Our Commercial Property Team is a major player in the region and is recommended by the Legal 500 legal directory.

The team is the backbone of the Real Estate Division of Aaron & Partners LLP, which now operates out of both Chester and Manchester providing specialist commercial property advice.

With a strong team ethos and hands on approach, the importance of your business is reflected in our commitment to high service standards.

AARON & PARTNERS LLP

SOLICITORS

Our client base is diverse and includes SME's, local and public authorities, banks, national and multinational companies. We deal with a wide range of property including shops, offices, industrial units and leisure facilities

We offer a depth of knowledge and experience in commercial property transactions providing tailored services to suit the needs of our clients. Key to this service is understanding our clients' business and commercial objectives.

As a client of Aaron & Partners LLP, you will not be passed from pillar to post and can expect to deal with the same members of the team day in day out.

We pride ourselves in providing a consistent and quality service to all of our clients time and time again. It is this attribute that sets us apart from other firms.

“ Our promise to you is to provide efficient and innovative advice. ”
